

Installation & Repair Services

Experienced • Local • Dependable

Atlanta Dental service technicians are known for giving longer life to your dental equipment. They are factory trained and standing by with a large inventory of parts to speed up the repairs needed to keep your treatment rooms in optimal working order. We also offer generous discounts and priority dispatching for our Platinum and Platinum Plus merchandise customers.

We Give Equipment
Longer Life

"I am absolutely impressed with everyone in your organization. They have all been courteous and extremely knowledgeable!"

For equipment service contact your Atlanta Dental Sales Representative
or call the service department 866.683.2572.
